

WAMITAB

Waste Management Industry Training and Advisory Board

WAMITAB Level 1 Diploma in Recycling Activities (QCF 600/0058/2)

Qualification summary

Achievement of the qualification demonstrates competence by the learner to operate appropriately and in accordance with employment requirements whilst undertaking recycling activities as determined by the units selected.

The qualification is assessed 'on-the-job' at appropriate waste management and recycling facilities.

The structure of the qualification includes some units which are specified in other similar WAMITAB recycling and waste management qualifications. This provides an ideal progression opportunity for learners to achieve further qualifications or specific units to match existing and future employment requirements by building on the units and credits achieved in this qualification.

The qualification provides progression opportunities by utilising units that are common to other waste management and recycling QCF qualifications and competence requirements. Furthermore, earlier qualification of a similar type can, through for example, recognition of prior learning (RPL), enable cost effective progression routes to the learner to achieve this or other qualifications appropriate to their employment.

Candidates must complete all Mandatory Units, and choose a pathway. Candidates must adhere to the rules of the pathway and achieve a minimum of 38 credits to complete the qualification.

A - Mandatory Group - Learners must complete all of the units in this Group in order to achieve the qualification.

Credit Value required: Minimum 24.

Sub-components required: Minimum 5.

Unit reference No:	Unit Title	Credit Level	Credit Value
D/502/6219	Working safely in the recycling industry	1	7
Y/502/6218	Maintain effective working relationships in the recycling industry	1	7
L/502/6216	Maintain standards of service during recycling activities	1	5
J/502/6215	Environmental protection within the recycling industry	1	3
R/602/2078	Manual handling, lifting and moving of loads in a waste environment	1	2

Collection Pathway - Learners who choose the Collection pathway must complete all Collection Mandatory Units, then choose one unit from the Collection Optional Units group

Credit Value required: Minimum 15.

Sub-components required: Minimum 2.

Collection Pathway Mandatory Units

Unit reference No:	Unit Title	Credit Level	Credit Value
K/602/0918	Collect recyclables and other materials	1	5
Y/602/0915	Assist in the safe operation of work vehicles during recycling operations	1	3
Y/602/1076	Loading a waste transport vehicle	2	2
T/602/0887	Communicate with the public and others on recycling activities	2	3

Continued overleaf/.....

Waste Management Industry Training and Advisory Board

Collection Optional Units - Learners must choose one unit from this group.

Credit Value required: Minimum 2.

Sub-components required: Minimum 1.

Unit reference No:	Unit Title	Credit Level	Credit Value
D/602/0916	Dispatch recyclables and other materials	1	5
T/502/6243	Comply with procedure to maintain security of facilities, equipment and materials within the recycling industry	1	4
R/502/6220	Sort and prepare recyclables and other materials for processing	1	8
M/602/0886	Encourage recycling services through promotion	2	2
A/602/0907	Select and use containers for recyclables and other materials	3	6

Reception and Processing Pathway - Learners who choose the Reception & Processing pathway must complete all units in the R&P Mandatory Units group, then choose one unit from the R&P Optional Units Group.

Credit Value required: Minimum 24.

Sub-components required: Minimum 2.

Reception and Processing Mandatory Units - Learners who choose the Reception and Processing pathway must complete all units in this group.

Credit Value required: Minimum 22.

Sub-components required: Minimum 4.

Unit reference No:	Unit Title	Credit Level	Credit Value
H/602/0917	Operate equipment for processing of recyclables and other materials	2	8
R/602/0914	Clean and maintain facilities and equipment for the processing of recyclables and other materials	2	3
R/502/6220	Sort and prepare recyclables and other materials for Processing.	1	8
T/602/0923	Prepare plant and equipment for processing recyclables and other materials	1	3

Reception and Processing Optional Units - Learners who choose the Reception and Processing pathway must choose one unit from this group.

Credit Value required: Minimum 22.

Sub-components required: Minimum 4.

Unit reference No:	Unit Title	Credit Level	Credit Value
D/602/0916	Dispatch recyclables and other materials	1	5
Y/602/0915	Assist in the safe operation of work vehicles during recycling operations	1	3
T/502/6243	Comply with procedure to maintain security of facilities, equipment and materials within the recycling industry	1	4
A/602/0924	Assist in the maintenance of plant and equipment for processing recyclables and other materials	1	5
M/602/0922	Operate and shut down processing plant	2	7
T/602/0887	Communicate with the public and others on recycling activities	2	3
M/602/0886	Encourage recycling services through promotion	2	2

Waste Electrical and Electronic Equipment (WEEE) Pathway

WEEE Optional Units - Learners who select the Waste Electrical and Electronic Equipment pathway must choose five units from this group

Credit Value required: Minimum 14.

Sub-components required: Minimum 5.

Unit reference No:	Unit Title	Credit Level	Credit Value
K/602/0918	Collect recyclables and other materials	1	5
H/602/0917	Operate equipment for processing of recyclables and other materials	2	8
D/602/0916	Dispatch recyclables and other materials	1	5
Y/602/0915	Assist in the safe operation of work vehicles during recycling operations	1	3
R/602/0914	Clean and maintain facilities and equipment for the processing of recyclables and other materials	2	3
T/502/6243	Comply with procedure to maintain security of facilities, equipment and materials within the recycling industry	1	4
R/502/6220	Sort and prepare recyclables and other materials for processing.	1	8
A/602/0924	Assist in the maintenance of plant and equipment for processing recyclables and other materials	1	5
T/602/0923	Prepare plant and equipment for processing recyclables and other materials	1	3
M/602/0922	Operate and shut down processing plant	2	7
T/602/0887	Communicate with the public and others on recycling activities	2	3
M/602/0886	Encourage recycling services through promotion	2	2
