WAMITAB Level 2 Certificate for Sustainable Waste Management Operative (Waste Collection Driver) (QCF 501/1475/X)

Qualification summary

Achievement of the qualification demonstrates competence by the learner to operate appropriately and in accordance with employment requirements whilst driving waste collection vehicles as determined by the units selected.

The qualification is assessed 'on-the-job' at appropriate waste management facilities which includes public highways or other areas required to access collection locations.

The structure of the qualification includes some units which are specified in other similar WAMITAB waste management qualifications. This provides an ideal progression opportunity for learners to achieve further qualifications or specific units to match existing and future employment requirements by building on the units and credits achieved in this qualification.

To achieve this qualification learners must complete 10 units - (minimum 33 credits) all seven units from Group A (the mandatory group - consisting of 27 credits) and then any 3 units from the optional units and in doing so ensuring that you achieve at least a further 6 credits and comply with the restrictions in Group B should you choose an optional unit from this group.
