WAMITAB Level 2 Diploma for Sustainable Waste Management Operative (Waste Site Operative) (QCF 501/1478/5)

Qualification summary

Achievement of the qualification demonstrates competence by the learner to operate appropriately and in accordance with employment requirements on specific waste management facilities as determined by the units selected.

The qualification is assessed 'on-the-job' at a suitable waste management site which may include public highways or other areas accessible by the public or other persons. The structure of the qualification includes some Units which are specified in other similar WAMITAB waste management qualifications.

This provides an ideal progression opportunity for learners to achieve further qualifications or specific units to match future employment requirements by building on the units and credits achieved in this qualification.

The qualification provides progression opportunities by utilising units that are common to other waste management QCF qualifications. Furthermore, earlier qualification of a similar type can, through for example, recognition of prior learning (RPL), enable progression to the learner to achieve this or other qualifications appropriate to their employment.

To achieve this qualification learners must complete 10 units - (Minimum credit - 37) all seven units in Mandatory Group A (consisting of 31 credits), plus three units from Group B and in doing so ensuring that you achieve at least a further 6 credits.
