

About WAMITAB

WAMITAB is the industry-renowned organisation that develops qualifications for those working in resource management and recycling, cleaning, street cleansing, facilities management and parking from operative through to management level.

- We have over 20 years of experience developing and quality assuring qualifications, training and course materials.
- We develop qualifications around the needs of employers, providing learners with the right skills and competencies to work safely and deliver excellence in the workplace.
- We have a dedicated team who understand the needs of your business and provide industry expertise, advice and guidance.

How to become a WAMITAB Approved Centre

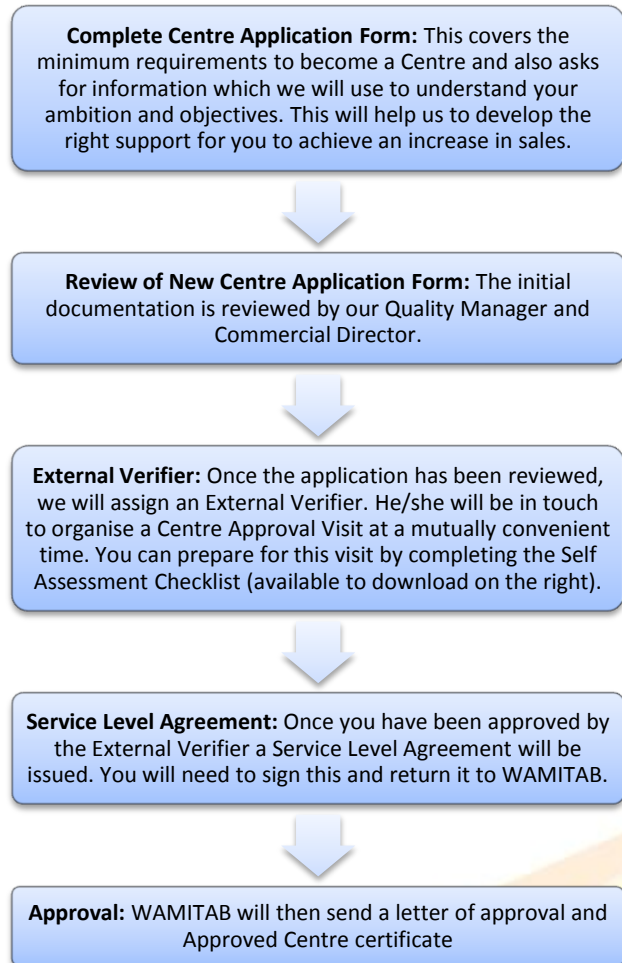

The Process

We have developed a simple approval process for centres interested in joining the approved centre network. This process has been designed to meet our regulatory requirements as an awarding organisation, while minimising bureaucracy.

Become a Centre

There are five key stages to becoming a centre:

Completing your Application

Before you start the application process you will require the following information:

- Name of organisation
- Name of principal/CEO
- Address
- Registered company address
- Key contact name
- Position
- Email/Phone/Fax
- Have you previously applied to be a centre?
- UK Register of Learning Provider Reference Number
- Do you hold a UK Border's Agency Tier 4 Licence?
- If so, what is your status?
- Do you have a risk management system for the delivery of qualifications?
- Do you have contingency plans to support learners in the event of centre closure?
- What is your rationale for applying to become a WAMITAB centre?
- Do you have centre approval with any other awarding organisation? If so, Please provide names and dates
- Have you been previously approved under a different name? If so, provide names and dates of prior approval
- Please indicate all regions you plan to operate within
- Sector engagement questions and finance contacts
- Note the provision you would offer
- Two Referees
