

WAMITAB Level 2 Certificate in Cleaning Principles

About this qualification

Learners who complete this qualification will acquire the skills required by cleaning operatives to deliver a range of cleaning and support services safely and effectively.

All learning during this qualification takes place naturally within a normal working environment. This ensures that professional development within the cleaning industry does not have a significant impact on the delivery of cleaning services for customers.

Who is it for?

- New entrants to the cleaning industry
- Long-term unemployed who wish to retrain
- Apprentices
- Experienced workers that want evidence of their skills

What does this course cover?

To achieve this qualification, learners must complete all the mandatory units (10 credits) designed to ensure the learner knows how to deal with waste, possesses the basic customer service skills to deliver cleaning services that meet the demands of clients, and is able to maintain health and safety standards in the workplace.

The learner will then need a further 3 credits from the optional unit group which focuses on the technical cleaning skills individuals require in their job role, including:

- Cleaning external areas
- Cleaning food areas
- Cleaning internal areas and washrooms
- Cleaning specialist equipment

What are the entry requirements of this qualification?

This qualification is open entry. This means that learners interested in undertaking the WAMITAB Level 2 Certificate in Cleaning Principles do not require any other qualifications or levels of attainment in order to take this qualification.

However, learners will need to be employed in a suitable position, or have access to the working environment, as the qualification is assessed 'on the job'.

What job role could this qualification lead to or support?

This qualification could have significant benefits for the cleaning workforce as it will act as a gateway to opportunities for career progression or further education by building the confidence of employees and demonstrating that their skills have value.

Cleaning is one of the largest business sectors in the UK, employing over 437,600 people in 30,800 workplaces during 2012 (Asset Skills, 2013). This qualification is ideal for those employed in elementary occupations (79%) in the following job roles:

- Domestic cleaning operative
- Commercial cleaning operative
