 - Facilities Management Practice
 - Facilities Management
 - Property, Caretaking and Facilities Services
- Level 4 Diploma in Facilities Management Practice

WHAT DO THEY COVER?

WAMITAB facilities management qualifications provide core knowledge and understanding through a range of units that include: provision of building services, health and safety, customer service, procurement and contract management, budgeting and team work.

WHY CHOOSE US?

We recognise that facilities management can offer a viable career if individuals are willing to develop their skills to meet the demands of modern service provision.

These qualifications are suitable for anyone working in the facilities management industry and the method of assessment will range from on the job or assignments, to exams or presentations depending on the training provider delivering the course.
