

WAMITAB Level 1 Award in Cleaning Principles

About this qualification

Learners will develop the basic knowledge and skills required by employers within the cleaning industry. This qualification is designed for anyone looking to improve their employment prospects for the future by gaining a greater understanding of cleaning activities. Once learners have achieved this qualification they will be able to progress directly into entry level job roles within the sector.

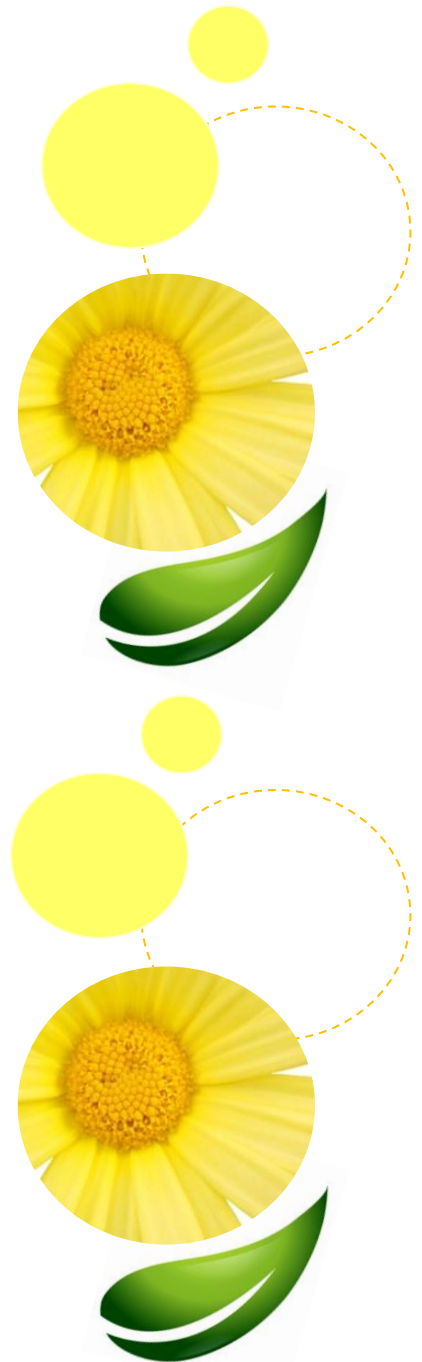

Who is it for?

- New entrants to the industry
- Pre and post gate prisoners
- Long-term unemployed who wish to retrain
- Experienced workers seeking a formal qualification
- Individuals working in the wider supply-chain of cleaning and facilities management organisations

What does this course cover?

To achieve this qualification, learners must achieve 7 credits by completing the mandatory unit Introduction to Cleaning Principles. This unit is designed to ensure that individuals will:

- Understand the importance of cleaning
- Know how to identify and categorise soil in preparation for cleaning
- Know how to safely select and use cleaning agents
- Know how to safely select and use cleaning equipment and methods
- Understand how to work safely

Recognised by Building
Futures Group Trade Body

What are the entry requirements of this qualification?

This qualification is open entry. This means that learners interested in undertaking the WAMITAB Level 1 Award in Cleaning Principles do not require any other qualifications or levels of attainment in order to take this qualification.

What job role could this qualification lead to or support?

Learners that achieve the WAMITAB Level 1 Award in Cleaning Principles will be able to progress into employment in the cleaning industry. Cleaning is one of the largest business sectors in the UK, employing over 437,600 people in 30,800 workplaces during 2012 (Asset Skills, 2013).

There is significant potential for employment within the cleaning industry in elementary occupations due to the labour intensive nature of cleaning activities. Achievement of this qualification allows learners to directly seek employment as:

- Domestic cleaning operative
- Commercial cleaning operative
- Industrial cleaning operative
- Street cleaning operative
- Window cleaner
