

## WAMITAB Level 1 Award in Parking Enforcement Principles

### About this qualification

This qualification provides an introduction to the principles of parking enforcement. Learners can choose to specialise in:

- Parking control and enforcement on private land
- Introduction to civil parking enforcement

### What does this course cover?

To achieve this qualification, learners must select a pathway and complete the relevant mandatory unit.

#### Private control and enforcement on private land

This qualification covers:

- The current legal framework
- Procedures for issuing parking tickets on private land
- The circumstances when parking tickets should not be issued
- How to record the necessary information for vehicle identification
- Principles of car park management
- How to work safely
- The requirements for conduct, public image and customer service

#### Introduction to civil parking enforcement

This qualification covers:

- The current legal framework
- Terminology
- Parking exemptions and their application
- How to record the necessary information for vehicle identification
- The procedure for issuing penalty charge notices
- How to work safely
- The requirements for conduct, public image and customer service

This qualification was developed in partnership with the British Parking Association:

## Who is it for?

- New entrants to the parking industry
- Experienced workers seeking a formal qualification

## What are the entry requirements of this qualification?

This qualification is open entry. This means that learners interested in undertaking the WAMITAB Level 1 Award in Parking Enforcement Principles do not require any other qualifications or levels of attainment in order to take this qualification.

## What job role could this qualification lead to or support?

This qualification could have significant benefits for the parking workforce as it will act as a gateway for opportunities for career progression or further education by building the confidence of employees and demonstrating that their skills have value.

The UK parking profession employs approximately 82,000 people (with 87% of these people employed in the private sector) in a wide range of occupations, compared to 569,000 people across Europe. This qualification is ideal for those employed in the following job roles:

- Civil Enforcement Officers
- Parking Attendants

Effective traffic and parking management is essential to support the sustainable growth of the UK economy as there are currently 34.5 million licensed vehicles on the roads (Juggins, 2013). Most of these vehicles spend more than 90% of the time in a car park, on the side of the road, at a station or in a garage (Juggins, 2013).
