

WAMITAB Level 3 Certificate in Facilities Management Practice

About this qualification

This qualification supports learners to develop the practical skills needed to successfully run and maintain a facility on behalf of clients. It ensures that learners gain the customer service, management and leadership skills that are vital for progression within the facilities management industry.

Individuals with this qualification are in high demand amongst Local Authorities, private companies and contractors responsible for operating facilities and delivering a range of services.

Who is it for?

- Apprentices
- Individuals working in (or wishing to progress to) a supervisory or management role
- Experienced workers seeking a formal qualification

What does this qualification cover?

To achieve this qualification, learners must complete the mandatory units group, with units which are designed to ensure learners are able to provide and monitor facilities for clients, develop good working relationships and develop effective risk assessment plans.

Learners can then select optional units, which allow learners to tailor their qualification to their job role and therefore cover a wide range of topics, such as:

- Customer service
- Managing incidents and emergencies
- Supporting team members
- Energy management
- Operational space management
- Leadership
- Financial management

What are the entry requirements of this qualification?

This qualification is open entry. This means that learners interested in undertaking the WAMITAB Level 3 Certificate in Facilities Management Practice do not require any other qualifications or levels of attainment. However, learners will need to be employed in a suitable position, or have access to the working environment, as the qualification is assessed 'on the job'.

What job role could this qualification lead to or support?

For many in the facilities management sector, this qualification will act as a gateway to new jobs, opportunities for career progression and as an introduction to further education by building the confidence of employees and providing the workforce with the skills required to facilitate sector growth.

There are currently over 207,800 people employed in the facilities management sector (ONS, 2013) and this qualification is ideal for those employed in associate professional and technical occupations in the following job roles:

- Property manager
- Facilities manager
- Contract manager
- Facilities management coordinator
- First line managers/ supervisors

What are the opportunities for progression to further learning?

This qualification can be taken alone, or as a component of the Facilities Management Apprenticeship framework. Learners that are interested in advancing their careers through further education can go onto study several qualifications at a higher level, including:

- Level 3 Certificate in Facilities Management
- Level 3 Certificate in Property, Caretaking and Facilities Services
- Level 4 Diploma in Facilities Management Practice
